

DECEMBER

A Word From Our Chairman

OPERATIONS

Our regular members will no doubt have noticed how busy the Club has been over the past few weeks. Our recognition as a function and event venue is clearly growing as is our reputation for providing great facilities, food and beverage catering and organisation. Our growth in this respect has contributed hugely to our Club now being in a much stronger financial position with a more sustainable future.

Be rest assured that whilst enjoying such a successful turnaround, which we all know was very necessary, we have not and will not forget our “ grass roots “ of being a Club of choice for our Members and families and Adjuncts to participate, socialise and enjoy. Our aim is to trade sufficiently profitably to invest in upgrading and maintenance of our assets, replacement of assets when and where necessary and to reduce our indebtedness whilst being a Club of choice for all to enjoy.

Our October financial results confirm we have continued our positive trends for the year to date. November accounts are, of course, not available at the time of writing this report but we know from weekly figures, the positive trends in turnover and profitability will reveal further growth. In November last year we set a new all time Club record week for turnover and are pleased to report that record has been “ smashed “ again last month. We expect the month of November this year will set a new record for monthly turnover, by a considerable margin.

A Word From Our Chairman

The strong performance to date this year augers well for our future. Your Committee, Management team and Staff are justly proud of the great progress made over the last two years, in turning the Club around. The feeling we gauge from our Members is that you too, are proud your Club is in so much better heart. With your continued support and patronage, we have every confidence of maintaining the current positive trends.

SUBSCRIPTIONS

We again remind all members your annual subscription of \$40 was due and payable by 30 September. Those who had not paid prior to 31 October are now unable to accumulate loyalty points or be eligible to participate in Members Draws until paid. As per Clause 7.6 of our Constitution, members who do not pay their subscription by 31 December (3 months after due date) will automatically cease to be a member and have to reapply for membership should they wish to re-join.

CONCLUSION

As this is our last newsletter for 2019, I convey to all members, on behalf of our Committee, Management and Staff, our very best wishes for a most enjoyable Christmas and a happy, healthy 2020.

Kind Regards
Lloyd

THE MANAGER'S MESSAGE

Wow and wow, what a month have we just had. We had so many functions and events on and the club has been buzzing. We had the yearly November pool comp, Halloween, Braai day, food and wine pairing, New members evening and much more.

It has been a month that has stretched the staff to new levels and therefore we have had to find some extras and a new van driver. I am happy to report that our new van is almost at the club and just like many of you, we can't wait to have her driving everyone around.

December is a very busy month with lots of different functions, we are all geared up for xmas functions and will be having a blast. Please remember that December 15 is Kids xmas day and we will have all the goodies out for the kids and the grand kids. This year we even have a magic show!

THE MANAGER'S MESSAGE

Every Saturday of December there will live music to get everyone loose for our New year eve's party which is going to be a blast. We are also happy to let everyone know that on the 21st of December we will be hosting the return of Sir Duke, one of the best and oldest band in Hawke's Bay, so come get your boogie on.

I would also like to take this opportunity to thank all my staff for all their hard work and efforts for November and this year so far and for what December holds. You have all made me very proud and I can't thank you enough.

Next time you will hear from me will be 2020, so from Myself and the staff, Merry xmas and a Happy new year.

Happy Dayz

Andre

LOOK FORWARD TO THE NEXT QUIZ

GOLF 9 HOLE

Member's night was a success for the 9 hole adjunct with plenty of interest from TC members, new and existing, and resulted in signups and several people going away to 'think about joining'! A good night was enjoyed by several volunteers, many thanks to those who attended.

Christmas Cheer will be held on December 7th with 9 holes of '3 Club Golf' at Awatoto followed by a delicious buffet lunch and prize giving at the Taradale Club. Hams, Lamb Roasts, Pork Roasts, Wine and Chooks to be won. Looks as though we will have 40 players and 48 for lunch - a great response. Our 2020 programme will be released at this event and it promises another fun packed year!!!!

YOU DO NOT NEED TO BE A GOLF CLUB MEMBER TO JOIN THE 9 HOLE GOLF ADJUNCT

All Taradale Club members who enjoy the occasional walk with some golf clubs can join us for a fun time once a month at Awatoto. (or on our Onga Onga and Waipukurau Bus Trips).

9 Holes combined
with 18 holes to
provide a good display
of the Adjunct's
activities

If you don't play 18 holes any more but still enjoy playing 9 holes come and give it a go on the short Awatoto course - you don't have to be a Golf Club member to play.

Subs are only \$5 per year, green fees are \$10 per round and we have two away bus trips, several free lunch shouts plus prize giving and Christmas Cheer meals at the Taradale Club every year.
