OPERATIONS

Our last month of the 2018 calendar year was very successful for the Club in terms of activities and financial performance. Our entire Staff are to be congratulated for their teamwork and very hard work in delivering such an outstanding result. In my time with the Club I have never seen our team working so well together, supporting and encouraging each other and all with the common objective of making our Club the family friendly, social hub of our community. The first month of 2019 looks promising also with satisfactory functions and bookings so hopefully will add to the great performance of the last few months.

RSA AMALGAMATION TALKS

It was disappointing the very satisfactory talks we had in November/December re pooling the resources of our respective Clubs came to an end when the RSA members voted at their January EGM to not enter into a Memorandum of Understanding with us. Personally I deem it very sad so many of their members failed to see our objective was to pool our resources to create a NEW upmarket, vibrant Club for our entire community to enjoy the benefits of. Reports we heard back from their meetings indicate those against amalgamating the two Clubs seemed to think we were all about paying our bank debt off to improve our financial position. How wrong and short-sighted could they be. Our growing membership, growing bookings as a function venue, growing patronage of our members and healthy support of our bankers proves this to be an absolute myth.

A W O R D F R O M O U R C H A I R M A N

What those of their members who voted no failed to see also is their Committee were simply seeking approval to enter into a Memorandum of Understanding with us re merging the two Clubs into a NEW entity. Their EGM was not at that time seeking approval to merge. I deem it very sad as it is a wonderful opportunity missed.

As per my earlier report to our members on this matter we will not go " into a shell " over this but will continue our exciting development plans with a view to building on the tremendous progress we have made since the middle of last year.

NEW VENTURES

We are currently in talks with a couple of Sports organisations which may result in their respective headquarters being at our Club. If we are successful with these talks we will see further development, membership and patronage growth. We will keep you all up to date with progress in this respect.

Kind Regards and Best Wishes for 2019
Lloyd

THE MANAGER'S MESSAGE

Where has January gone? It was here, it was hot and now it's disappeared. The only thing left is the heat and that is taking its toll on most, best everyone just have an extra cold one to calm it down.

Well what can I say about January, everyone warned me it was going to be quiet and I can happily say, they were wrong. We had a good month at the club and its started the year of really well. We have lost a few members and our hearts go out to all their families.

We also feel we have gained a lot.

The most talked about story is obviously the RSA and no matter what happens, we will be okay. We have worked hard to cement our place in Napier and we aren't going anywhere, we are here to stay. We would always be happy to take our neighbours in when they are ready to come over, but we have to understand that they have some serious things to work out and that can only be done with time.

THE MANAGER'S MESSAGE

Other than that, we have lots of great things happening at the club in February, like our pre-Waitangi party on the 5th: we will be having a bbq, cold beersies and a great rock band. So come down and get ready to celebrate Waitangi day. We will also be having a lot of visitors here, so please make them feel welcome at the club.

On Valentines day we are having a 5 course, wine and food pairing with Askerne winery and that is going to be awesome. Bring your loved one or ones, love is not just for your partner, its for your friends & family too.

And then we will have a few music nights and keep the Jokers Wild going and push the members draw. The adjuncts are also making their way back to the club and if you are not in an adjunct, why not try one this year, it's really worth it.

I look forward to seeing you all at the club for a great time.

A promotional poster for a pre-party event. The background is a warm sunset with a bright sun low on the horizon. Two hands are shown holding beer bottles, one in the foreground and one slightly behind it. The bottles are illuminated by the golden light of the setting sun. The text is written in a hand-drawn, sketchy style. The word 'PULSE' is the largest, followed by 'performing live!'. On the left side, the words 'BBQ', 'BAND', and 'BEER' are stacked vertically. In the bottom right corner, a tilted box contains the event details: 'Pre-Waitangi party Tuesday 5 Feb From 5:30pm'.

OUTDOOR BOWLS

What a month!

THE NATIONALS - CONGRATULATIONS

LLOYD Lloyd teamed up with a former Bowls Taradale member, Richard Hocking, and qualified in the National Pairs. Lloyd and Ritchie were in the top 8 left in the pairs at the Nationals. There were 158 pairs teams entered so what an amazing achievement.

Lloyd Fitness and Richard Hocking bowed out of the Nationals pairs with a narrow 15 to 13 loss. To get to the final 8 was awesome, well done.

The final of the HB Open Singles to be played on finals weekend 18th, will be between Natarsha Grimshaw (Club Hastings) and Sheryl Viggers (Taradale) both dominant in the semis.

HB Women's Pairs: Six of the eight bowlers who reached the semifinals were from Bowls Taradale. Well done. Special congratulations to Sheryl Viggers and Lillian Tukiri who reached the final (against Bay View). That will be played later in the year.

Men's Fours Champions - Peter, Gary, Warren and Clark.

A resounding win for the Triples team of Lloyd Fitness, Phil Young and Skip Neil Barron over a gallant trio of Colin Little (Doods), Des Whittle and life member Skip Lex Parsons.

With so many achievements this month,
it is impossible to list everyone!
Congratulations to the whole adjunct!
