# A WORD FROM OUR CHAIRMAN

## OPERATIONS

We have made a successful and positive start to Trading since moving to Alert Level 1. Attendance of our members has been pleasing as has been your acceptance of reduced opening hours and consolidation of Bar areas open to save lighting, heating and cleaning costs.

Make no mistake, the Covid 19 impact on our business has been considerable and the financial setback will take a long time to recover from, however, we are confident that with the support of our members and the work ethic of our Staff, we can do it.

As mentioned in our communications during lockdown,  
**TOGETHER WE CAN AND WILL MAKE IT HAPPEN.**

I take this opportunity to most sincerely thank our Staff, most of whom have taken on additional responsibilities to cover us for the unfortunate redundancies, forced on us by Covid 19. Our team is making a huge contribution in working together as a team, taking on additional tasks outside their previous work areas and doing their absolute best to ensure good service to our members and guests. Please acknowledge this whenever you can.

## FINANCIAL

The financial setback resulted in a disappointing finish to our 2019/20 year, with a significant loss being recorded in March, the final month of the financial year. We are, as yet unable to produce accounts for April and May, due to being unable to close off our 2019/20 year end accounts.

The results for the first two months of our 2020/21 year, will also show a substantial loss which means we are starting our new financial year on the backfoot.

Whilst this position is foreign to us, our current Budget and Cash Flow forecasts indicate we can overcome these setbacks.

We applied for and received the second tranche of the Government Wage Subsidy, which will greatly assist in our recovery. We will however need continued strong support from you, our members and to resurrect our activity as a function and events venue. We are pleased to report bookings for the latter are showing positive signs.

### ANNUAL GENERAL MEETING

We are still unable to set a date for our AGM. The impact Covid 19 restrictions have had in getting accounts completed, our Audit completed together with an Audit of our Auditor's work, have led to further delays. We recently learned from our Auditor, their work has to be checked this year as they have been our Auditor for five consecutive years. Whilst we are now well into the process, completion is still a week or two away. As we are required to give notice of our AGM and have financial accounts available to members, at least 14 days prior to the meeting, we are now looking at an August date for our AGM this year.

We can advise our accounting work to date confirms our operating surplus for the 2019/20 is significantly up on the immediate previous year, so we all have something to look forward to.

We will advise a date for the AGM as soon as we are in a position to do so.

Cheers  
Lloyd

# The Manager's Message

Welcome back!

This is probably the correct term to use, "Welcome back". It has been such a long time since we have all been in each other's company and it has been great to see almost everyone back at the club. Hopefully as the time passes and we have less covid issues, everyone will come back and meet up with friends and family again.

June was an interesting month to deal with and we didn't really know what to expect, but we were blown away by what we received. The club is buzzing again and everything is heading back to normal, even faster than expected and we thank everyone for their support.

# The Manager's Message

We are back to hosting our Food and Wine evenings again and we will now host them every first Wednesday of each month. Our entertainment kicks off with our breakout party and the band is the ever famous, Naked Gun. It's the first time in many years that they are performing at the club and this will be a very special night indeed. July is going to be good and we as a team cant wait for it to kick off and we look forward to all of you coming to enjoy the club with us, whether its for a meal, a drink, a pokie or just a yarn. Lets make it happen.

Happy Dayz

# GOLF

# 9 HOLE

June 20th Club Day was held at Awatoto with a smaller than usual turnout. Some good golf after the 'Lockdown Layoff' and prize giving and a catch up was enjoyed by all.

## NEW LEADERSHIP

July 25th we will hold the 9 Hole Open Challenge at Awatoto followed by our AGM, a restaurant lunch at the Taradale Club and prize giving.

Laurie Hansen will be retiring from his current President, Secretary and Treasurer positions and 3 Committee members will also step down. We will be calling for replacements and a new leadership will run the adjunct from August 1st.

We have over 40 members attending and, hopefully, some one will step up to be part of the new team.

If you would like to join the 9 hole adjunct all you need is your clubs and trundler and \$5 for your adjunct membership fee - You must be a Taradale Club member - contact Laurie 8454310 for full details.

If you don't play 18 holes any more but still enjoy playing 9 holes come and give it a go on the short Awatoto course - you don't have to be a Golf Club member to play. Subs are only \$5 per year, green fees are \$10 per round and we have two away bus trips, several free lunch shouts plus prize giving and Christmas Cheer meals at the Taradale Club every year.

Adjunct President, 06 8454310

# POOL

So now that crazy covid time is now manageable , we start up again,  
It's like a January in the middle of the year, and everyone is trying to fit 12months of work and play into 6.  
That means for us pool players, lots of tournaments, local and out of the district are now on offer.  
Which also means are trying to shoehorn in our club champs in there somewhere.  
Always a moving target, we've had to move our mixed pairs to later in the year.  
With the reduced hours of the club we changed from our usual Tuesday evening practice to Wednesdays.  
Well done to Dean and Shaun for winning our open pairs pre lockdown  
We have our popular ladies pairs filling fast for the 29/30 August competition, which is always a great weekend  
To those pool bodies representing the club around the districts next month , Good luck, drive safe, say Hi to those we haven't seen for a while.

Cheers  
Jason, pool presi

# Greendale Services Association

It is great to be back in the Club again and having a beer with our mates and it is really good to see things getting back to normal with the raffles etc running. Don't forget to get tickets in Tig's raffle for the Vietnam Vets support fund. He has run out of his West Coast Whitebait, but will come up with some delicacy every Friday, generally Kai Moana. We need you all to be buying tickets to try and stop Father Bill winning every week!

We have a couple of important things coming up in the next few weeks:

12 Jul 2020 – Our AGM at 2pm in the Weka room for Association members.

15 Jul 2020 – The Committee is conducting a 'Formal Dinner' in the Club on 15 Jul 2020. This is a Wednesday and is the 55th Anniversary of NZ combat troops (161 Battery) arriving in Vietnam at Ben Hoa and they fired their first shot in anger on 16 Jul 1965. One of many missions they fired in support of the 'good guys' during their time there. A good excuse for a dinner out!

All are welcome to attend the dinner and the timings are socializing 5 - 6pm followed by dinner from 6pm. Dress: men jacket and tie, ladies semi-formal, and personal medals to be worn. Normal etiquette, toasts and formalities will follow. Reservations can be made through the Taradale Club or one of the Committee and the cost is \$25 per person. We hope to see plenty of you there.

## Support and Welfare - Post Traumatic Stress Disorder

Below is a link to a very helpful Australian presentation that I ask you all to read. Many people from all walks of life, particularly Police, Fire, first responders, nurses and many others who have experienced traumas suffer from this devastating condition - not just veterans.

View the video and if you think that you, or someone you know, may have PTSD, and wish to be referred for professional assessment and treatment, please make contact with Ian or Mike in the Greendale Welfare & Support team. They can start the referral process. Everything is kept strictly confidential. To view the link please visit:

## Welfare Support Office - Hours of Operation

With the Club's current hours we are trying to open the welfare support office twice a week, likely Wednesday and Thursday. We will confirm the hours, but if you have any questions or issues that need sorting, contact Ian or Mike. This also applies for any foot treatment by Cara Rountree: she may be able to visit you at your home or another venue.

## Mobility Items for Loan

GSA Support and Welfare have a range of mobility assistance items available including walking sticks, a set of crutches, walker, wheel-chair, mobility scooters and the like. Contact us if you need anything - if we don't have it we may be able to point you in the right direction.
