Pretty soon we'll all be able to head back to our favourite hobbies! During lockdown and the different levels we have all been longingly reminiscing about fun times on the golf course, playing pool, catching that big snapper - to name but a few things!

And with our club's many sport and social adjuncts/sub-clubs, there is plenty of reason to be excited for things to get back in full swing.

Now, more than ever, we realise the value of freedom and having fun together. If you've been thinking about joining a sub-club or learning a new skill - reach out to one of our clubs; they'd love to have you

OPERATIONS

Our trading, since re-opening has been very pleasing. Not only have you, our highly valued members resumed patronage but we have witnessed a large number of visitors to our Club. The number of visitors to our Restaurant has been very pleasing as it justifies our decision to obtain an “ On License “ for our Restaurant, which enables us to promote this part of the Club to the public. The increased patronage is also testament to the growing reputation of our Restaurant as a dining venue in Hawkes Bay.

We most sincerely thank you, our members, for your support in getting us back on our feet again. The financial setback we have suffered from Covid 19 can and will be overcome by your support and us being again able, in the not too distant future, to recommence our marketing of the Club, as a function and events venue.

We also thank you all for your patience and understanding, in ensuring we fully comply with Government Rules of operating under the various Alert Levels. We have not been operating as we or you, would prefer us to, however we know you understand how important it is for us to fully comply.

Our opening days and hours, are as reported earlier, under regular review and will be amended going forward as restrictions are lifted. It is however, more important than ever, that we remain conscious of trading profitably, as we claw back the losses suffered over the past nine weeks. It is going to take many months to get back to where we were, however with us being fiscally responsible and your support, we can and will get there.

A Word From Our Chairman

FINANCIAL REPORTING

We are now close to finalising our financial accounts for the month of March and for the 2019/20 financial year. We will, in the very near future, be holding a Committee Meeting to approve the accounts and set a date for our AGM.

The date of the AGM , together with all associated requirements such as calling for nominations for Committee, will be announced as soon as possible.

ADJUNCT ACTIVITY

It is great to see many of our Adjuncts resuming their respective activities as well as they are able, under the various sporting restrictions. Please get behind your Adjunct Executive and organisers and support their efforts also. They too, will need your full support as they re-build. By working together we can and will make it happen.

Again it is great to see you all again as we move towards normality. The recognition of the fellowship we as a Club can facilitate, has been strengthened by how we missed being together since lockdown, so let's get together again and enjoy.

**Kind Regards
Lloyd**

A Word From Our Chairman

The Manager's Message

We have been through something extraordinary in our lives that we will be able to talk about for many years to come. We have also been lucky to get things sorted and by the looks of it, it does seem as if we beat it and now we can go on with our lives as we know it.

I did enjoy the lockdown and it was nice to see my kids and spend some quality time together, especially with how busy it has been for the months leading up to it.

The saddest thing for me was seeing all our hard work go up in flames and disappear in front of our eyes. But then again, we will re-build and we will be even better. It has given us the chance to complete some tasks that have been lagging and implement some good service.

The club is looking good and we are ready to fill it up again. We have some wonderful things planned for the rest of the year and as we move on and out of this pandemic, we will release all the information with what's to come. We are very excited to show our talents again and take the club even higher than before.

I also have to say thank you to all the staff that has worked really hard to get us here and risking themselves for the good of the club and also to Lloyd, Gerald and Craig that formed the Emergency committee and all the hard decisions we had to make. I will miss our Friday zoom meetings.

Don't be afraid to start over. It's a new chance to re-build things. This time better, the way you want it.

Happy Dayz!

Andre

18 HOLE GOLF

The 18-holers hope to get underway again in JULY with an away-trip to HB Golf Course on Sunday 5th July. More details will be provided in advance of this trip.

It has been interesting to see how Golf has reinvented itself after the Lockdown. Most courses are up and running again and the sport seems to be even more popular than before. Personally, I find it a great opportunity to regard every golf ball as a Covid-19 bug and then try and hit as hard as I can, as punishment for interrupting our sport and taking so many human lives away! It doesn't always work on the putting green, however ...

Hang-in there 18-holers; please pay your \$20 subs which are still great value for the fun and great times we have when together.

Here's hoping that we are able to recommence in JULY.

In the meantime, PLEASE SUPPORT THE TARADALE CLUB.

Cheers,

18-hole Golf Committee

SATURDAYS =

SAUCE ONLY \$17

The Lockdown. Like everyone else we in the Services Assn have very much missed the opportunity of coming to the Club to have a beer with our mates over the last couple of months. However, when you see where we are compared with many other countries, it was worth the pain to limit the health impacts on our 'team of 5 million'. It also ensured we were all fit and well enough to do the Flag Raising ceremony at the club on Thursday 21 May resulting in some good media coverage and followed by our first beer at 3pm when the bar opened again. I have to say that first one has never tasted as good!

Our congratulations and thanks to Lloyd and the Committee, and to Andre and his team. They couldn't have done better during the lockdown. The Club has been given a facelift, the delivered and frozen meals were a big hit and kept the tills ringing and they kept us informed on what was happening in a very changeable environment. Well done and thanks to you all.

Now we as members need to buy local and stay local ensuring that when the bar is open there are 100 people there that are keeping the staff are flat out serving us all! Our team are mostly retired so we intend to be there at the 3pm opening on Fridays, and be gone by 4.30pm to allow the second shift of 'workers' who knock off to move in and ensure there is space for everyone in the Club and keep the tills ringing.

GREENDALE SERVICES ASSOCIATION

A number of our members have enjoyed Sunday lunch in the restaurant recently. If you are looking for a place to eat then we can certainly recommend you try the Club and that we all help by making sure that the Club comes out of the lockdown even stronger than when we went into it by just spending a few dollars there.

Facebook. If you are on Facebook please look for our Greendale Services Association Facebook page, like, follow and get your friends and whanau to do the same. The more people we have on it the better and we will be updating it on a regular basis. If there is something you want to post on the page send it to our secretary Hine Grant at greendaleservicesassoc@gmail.com.

AGM. We have pencilled in our AGM for Sunday 5 July 2020 pending what restrictions there may be on gatherings at that date. This date will allow our members time to put any intended Notices of Motion together and get them to our Secretary by 14 June 2020 giving the 21 days lead time required by our constitution.

Like all clubs we are always looking for new ideas and hard workers for our Committee. If you want to contribute this is a good way to be involved and to make sure we are doing the things our Association should be doing in the community. So, don't be shy and if you are interested get in touch with our secretary by 14 June as well.

Lest We Forget

GREENDALE SERVICES ASSOCIATION

Golf 9 Hole

As we never had our March info published due to Lock Down here is a reminder of what life and freedom was like before Covid 19 and an update for the future.

Club Day February 21st the 9 hole members joined with the 18 hole adjunct members to compete for the Norm Beaton Memorial Challenge trophy over 9 holes of golf at Awatoto Course which was won by the 9 Hole Adjunct for 2020. Norm was a Taradale Club life member, an 18 hole member and the founder of the 9 hole adjunct and a true gentleman also.

We moved to the Taradale Club after golf for lunch and prize giving and paid our respects to Norm - we trust he was looking down on us and enjoyed what he saw.

The Future:

June 20th Club Day is at Awatoto 9.30 to 10am tee off, raffles, prizes etc.

July 25th we will hold the 9 Hole Open Challenge at Awatoto followed by our AGM and a restaurant lunch at the Taradale Club - This is our most important AGM and will determine the future of our Adjunct - more info to follow.

If you would like to join the 9 hole adjunct all you need is your clubs and trundler and \$5 for your adjunct membership fee - You must be a Taradale Club member - contact Laurie 8454310 for full details.

If you don't play 18 holes any more but still enjoy playing 9 holes come and give it a go on the short Awatoto course - you don't have to be a Golf Club member to play.

Subs are only \$5 per year, green fees are \$10 per round and we have two away bus trips, several free lunch shouts plus prize giving and Christmas Cheer meals at the Taradale Club every year.

For more info contact:

Laurie Hansen,
Adjunct President, 06 8454310

Lunch over, now for the prizes!

A great day for a walk!

18 hole President Denys Carpenter hands the NBM Trophy to Laurie Hansen, President of the winning 9 hole adjunct
