A Word From Our Chairman

OPERATIONS

It is hard to believe the date of 30 September, just passed, signals the end of the first half of our 2019/20 financial year. You may recall in earlier reports I mentioned we had set ourselves a "stretch" but realistic budget covering our goals for growth, asset improvement and importantly bottom line financial performance. It is satisfying to report we are very much on target to achieve our objectives.

With the traditionally slower Winter months behind us our financial results to date remain significantly ahead of the comparative period last year and very close to in line with our budgeted profit. September results are not yet available however weekly turnover figures for the month indicate we will at least achieve, if not gain on our position as at end August. Function and event bookings in the months ahead are very pleasing and give rise to our optimism for a very successful third quarter of the year.

BRIDGE ROOM

The Taradale Bridge Club ceased playing in the room on 26 September and have since vacated the room. We sincerely appreciate how promptly the Bridge Club cleared their assets from the room and thank them for that, whilst again wishing them every success for the future. Having access to this key function area of our Club again is greatly strengthening our ability to market our Club as a multi sized function venue.

Bookings for the room have grown significantly and we expect exponential growth going forward. I have just returned from a month overseas and function bookings for the room have almost doubled in that time. These activities will enhance our ability to further our performance and growth.

A Word From Our Chairman

ADJUNCTS

As most of you will now know our Snooker Adjunct has now wound up with the few snooker players having not accepted our offer of relocation within the Club. Sadly but realistically snooker, as a sport, is on a rapid decline. Clubs NZ report many Chartered Clubs no longer have such adjuncts and snooker tables, which years ago were quite a valuable asset, are now "two a penny."

At our last Committee Meeting we approved the formation of a Racing Adjunct and are sure many of our members will be keen to become members. We understand those formation members are keen to resurrect the once very popular Race-Day at Hawkes Bay Racing among their activities. We look forward to welcoming them into our Adjunct ranks and supporting them in their ventures.

Our Outdoor Bowls Adjunct has recently completed their projects of providing a large covered area adjacent to the Bowls Administration area and repairs to the under-felt on the newer Pak 'n' Save Green. We offer our heartiest congratulations to the Executive of this Adjunct and the members who worked so hard in the planning and execution of this work. Many hours of voluntary labour made these tasks more financially viable. This is a fine example of Club Members working together to better their playing facilities and at the same time contributing to their Club's financial position. To my thinking this is what Clubs are all about.

Looking forward to a great second half of our year.

Kind Regards
Lloyd

THE MANAGER'S MESSAGE

September saw the change of season and the weather actually started getting better and better by the week.

We had a fabulous fathers day, where we celebrated everything meat. The club started buzzing again and everyone came out of hibernation, as the weather continuous to get better we will see more and more people hitting the club.

We have been fiercely busy booking functions for the later part of the year and our xmas functions looks to be great. We have also been working hard at launching our very first October fest on 27 October and that will be a magical day for all beer and wine lovers out there, it will be filled with live music and great food. What more can you ask for??

THE MANAGER'S MESSAGE

Melbourne Cup day is also drawing nearer and we have a great day at the races planned for everyone at the club. Its going to be a spectacular event again.

We had our first breakfast and it was very well received, we will now be having a breakfast every month on the 3rd Sunday of the month.

Other then that we have been ticking along really nicely and have had some great days and weeks for September, we are also looking forward to bringing back our BBQ Sundays soon.

October has got many great things lined up and please keep an eye out on all the events that will be happening, as you will not want to miss any of them.

See you all as the month passes by.

Happy Dayz

September 14th 56 adjunct members and partners enjoyed a Wine and Food Pairing Dinner at the Taradale Club that had Andre and Blair cheffing for us and Hawke's Ridge Wines supplying four varieties of their fine products. The evening was a huge success and enjoyed by all and many said they would be keen to attend the monthly Taradale Club Food and wine pairing events. I recommend Adjuncts to consider one of these events for their members, they will be very pleased.

Club Day September 21st members competed for the Triple Challenge Shield at Awatoto. Teams of 3 were randomly drawn after play and combined stableford scores determined the top 3 placegetters. The Triple Challenge Shield team winners were Charles Christie, Sherrill Taylor and Brent Campbell. Loads of prizes including wine and golf balls and lucky drawers plus raffle prizes were enjoyed by all.

Next Club day is October 19th at Awatoto and includes a 'Lunch Shout' Be there for a 9.45am tee off. All Taradale Club members who enjoy the occasional walk with some golf clubs can join us for a fun time once a month at Awatoto. (or on our Onga Onga and Waipukurau Bus Trips).

If you don't play 18 holes any more but still enjoy playing 9 holes come and give it a go on the short Awatoto course - you don't have to be a Golf Club member to play.

Subs are only \$5 per year, green fees are \$10 per round and we have two away bus trips, several free lunch shouts plus prize giving and Christmas Cheer meals at the Taradale Club every year.

'MYSTERY TRIPLES SHIELD' WINNERS:

CHARLES CHRISTIE

SHERRILL TAYLOR

GREENDALE SERVICES ASSOCIATION

Just a brief note this month. For sure there is a lot happening in the Club and with the Association, but just a couple of quick reminders to all:

The Semi-Formal Dinner. This is a chance for all members of the Club to dress up a little and come and celebrate with the Association Members on us being formally recognised and Incorporated. We will be doing this with a dinner at the Club on the evening of Friday 4 October 2019. ALL MEMBERS ARE VERY WELCOME.

- Timings: Drinks 1700 – 1800 hours; The Ode then Dinner at 1800 Hours; then Port, toasts, speeches then socialising approximately 1930 hours.**
- Dress: Men a jacket and tie, and ladies semi-formal. Personal medals to be worn.**
- Costs: A buffet dinner at \$25 a head. Drinks at own cost and the Association will provide the Port for the toasts.**
- Booking and Payment: Please book your dinner with Mary in the office before 3 Oct 2019 and pay for it then so Andre knows how many places are to set.**

Annual General Meeting. Now that we are Incorporated the Association will be holding its 1st AGM at 2pm on Sunday 13 October 2019 principally to elect a Committee to take us through to June 2020 and to get us going ahead. And there will be some other important business to discuss. So maximum turnout please.

If you wish to nominate for the Committee (and we want a Committee that covers all membership categories, ages, genders etc) Please get your nomination into our Secretary Donna on email greendaleserviceswelfare@gmail.com by 3 October 2019 as well.

‘Danger Close’. This is a movie about the Battle of Long Tan in Vietnam which involved Aussie and NZ troops in a major battle. It is this Battle we in NZ and Aussie have chosen as the day we commemorate our service there and remember the 37 of our mates who didn’t make it home. And we also remember those who did get home and have since died from, or are still suffering from, the effects of that war. We have got a special showing of the movie for our members and all members of the Taradale Club are welcome to attend. Watch this space for the detail.

Try an Adjunct. Bryan Gilbertson mentioned the other night that the Bowls adjunct would like to have a day where they take any of our members who might be contemplating playing bowls, or who would just like a ‘roll up’ to see what bowls is like, out for a session on the greens. Probably followed by a few beers of course to tell the ‘war stories’ and set the record right !!!! Lol. But a really good idea.

However, the real point of it all is of course that the Taradale Club has lots of great activities available. For sure on a Friday evening everyone gets into their little cliques with their mates to have a beer and talk about what has happened that week. But don’t forget that we are all in the same team and we all need to support each others activities.

Taradale Club Race Day

We are starting up the Taradale Club Race Day again!

Jean Donnelly & Johanna Schinkel have offered their help with the organisation & fundraising for our new adjunct.

Join the Racing Adjunct today at only \$10pp - we can only take about 80 people to the brilliant day at the races, so join us today to avoid disappointment!

If you are interested, please see Stu Nesbit, Peter Brown, Jean Donnelly or Johanna Schinkel. We are all at the club fairly regularly.

Tony Wall is a member of the HB Racing Committee and he is negotiating our case at HB Racing. Fingers crossed he will be successful! Otherwise we will just review our options and perhaps find another day - or even another venue!
