

From the Boardroom

November 2023

On behalf of the Committee

We thank all the staff, helpers and members generally who helped make last weekend extremely successful for the people who attended the Robbie Williams concerts.

The feedback we have received from them has been very complimentary and a credit to especially the staff and volunteers.

Some campers were so impressed over the weekend at our excellence in our delivery that they joined as members. Well done to the “TC Team Loyal”.

This coming weekend we again ask for your understanding as our 8 Ball adjunct hosts their popular “Open Pairs”. We will again be brimming with external people so please make them welcome and again show what a truly great club we are.

Once again, special thanks to our staff and volunteers for their service and members for their tolerance.

**Gerald McCarthy
Committee Chair
