A Word From Our Chairman

OPERATIONS

It is hard to believe 1 January 2020 signals the commencement of the last quarter of our current financial year. So much has happened over the past 9 months in this, our “Year of Change”, where our primary objective was to Encompass and Deliver on the New Strategy.

Even though we have another 3 months to go in the year, we can proudly report we have achieved our objective. Much of our success can be attributed to our drive to make our Club a family friendly social hub, a function venue of choice and have our Management and Staff working strongly together as a team.

November financial results were again very satisfactory and for the 8 months to date both our turnover and profit before depreciation, continue to be well ahead of the comparative period last year. Turnover and Profit, at the end of November are 24% and 417% respectively ahead of last year. This is a great result for us.

A Word From Our Chairman

Due to the Christmas/New Year period, we will not have December financials available before mid to late January, however from weekly turnover statistics, we are confident of maintaining the very satisfactory trends. We expect December turnover to be another new monthly record for our Club.

December has been a hugely busy month and again we offer our heartiest congratulations and thanks to our Staff for their great efforts. All have contributed and worked very hard as a team. The December " Food and Wine " party, attended by 230 guests, was a great success. We had " all hands on deck " for this evening on 18 December, so well done to all our team. They are certainly going to be looking forward to a quieter few days over the Christmas period.

We look forward to continuing the positive trends into 2020 and beyond. We again wish all our Members a happy, healthy New Year.

**Kind Regards
Lloyd**

Our *Manager's* Message

Should auld acquaintance be forgot,
and never brought to mind?

Happy new year to all our members, I
hope you had a wonderful festive
season and you are ready for 2020.

I do feel that this year will be great
year, a new year, a new decade.

What lies ahead for us and the club
will be wonderful, we will be having
so much fun, we will be shaking to
new music, new events, new festivals
and we will be taking the club to the
next level.

Last year was worth mentioning and
man did we have a great year. I can
happily say that we have achieved
what we set out to do and we were
successful with many things. Don't
get me wrong, I do know where we
need to focus on and what needs to
be done, but the majority of the
work has been done and we will just
grow from here.

We have many things to look forward
to, like the revamp of the restaurant,
the new outside dining and kids area
etc. It is going to be a great year
and we will flourish.

Our *Manager's* Message

All of this could not have been possible without my team of staff, who has worked so hard and non stop, they bought onto the dream and turned it into a reality with me. So from myself I would like to thank my staff and I look forward to the next year with them.

I would also like to thank all the members for all their support, thank you for enjoying the transformation with me and the staff, you have brought us lots of fun and laughter over the past year and we look forward to spending another year together.

Lastly, I would like to thank the committee for also buying into the dream and accepting the changes and supporting me and the team throughout the year, it helps when we are all on the same page and driving for the same goal.

So, all in all, a BIG thank you to everyone involved in any way.

See you around in 2020.

HAPPY DAYZ

GREENDALE SERVICES

Thanks to all.

We are not sure where the years went, but here we are at the start of a new year and new decade. It is unbelievable really. 2019 was a pretty tough year for those of us who left the RSA and joined the Taradale Club in early 2019. But none of us who did so have any doubts about this having been the right decision for us. And for sure we pass on our thanks to you all for making us welcome and for your ongoing support.

The 'pay back' is in the trading figures, particularly for Nov and Dec 2019 which clearly show this was also the right decision for the Taradale Club. The 'W' Company, and RNZEME re-unions in late Nov, followed by the Vietnam Veterans' Annual Dinner in early Dec, helped the Club achieve record turnover in these months.

And a very big thanks to Andre and his team. The meals and all aspects of the service and support to these events was first class and for sure would be hard to beat in the Hawkes Bay.

GREENDALE SERVICES

Outdoor Bowls.

Also, a special thanks to the Outdoor Bowling adjunct for holding their 'open day' in 2019. What a great idea and thanks for your patience. I think some of our team thought they were at grenade practice and were a danger to those on the next green as bowls on the wrong bias and travelling over the speed limit whistled around !!!! Lol. But good fun and good company.

For sure there are at least 8 of us from the 'Services team' who have also enjoyed the follow up coaching sessions who will join the adjunct and get into bowling in 2020. And that can only be good for us all.

What About 2020?

2020 is going to be a good year. We will continue to grow our numbers, but our focus is now on getting our Trust Fund up and running. The paper work is ready to get us 'Donee Status' as a Charitable Trust, the Trustees appointed, and we are meeting in early 2020 to get our protocols set in place.

While it will take a little time to build the funds to where we need them to be, ALL members of the Taradale Club qualify as 'beneficiaries' within the purposes of the Trust. This Trust has the potential to be a 'real point of difference' for the Taradale Club. More on this in future months.

In the meantime HAPPY 2020 TO YOU ALL.

Golf 18 Hole

The 18-holers finished their 2019 Season in style on the 1st December with a perfect day at Maraenui Golf Course before retiring to the Taradale Club Kiwi Room for post-match prizes and a delicious repast prepared by our Restaurant Staff.

Junior Men; Walter Blatchford 43, Clark Nicol and Charles Christie 40.

Women; Maureen Hansen 42, Julie Inwood 40, Jo Minchin 38.

Clark Nicol and Doug Perry had twos. Robin Mohi and Debra were nearest to the pin on 5. Sherm Rose and Tony Minchin won the raffles.

The background of the entire page is a light blue sky with several white, fluffy clouds. In the center, there is a green hill representing a golf green. On top of the green, there is a green flag on a thin pole. The text 'Golf 18 Hole' is written in a large, black, cursive font across the middle of the green hill.

Darts Club

Are you keen to throw some darts at the club either on a social or competitive basis? The Darts Adjunct is looking for more players as we continue to rebuild darts in the club.

In 2019 we ran 2 teams in the social Tuesday night Taradale Districts Darts League and a 3rd team has joined us for 2020. There are also a number of further players who are keen to play and we would love to field a 4th or even 5th team in the league this year. We are keen to hear from any individual or groups of players that would like to be part of a team. If Tuesday nights don't suit there may be other social options available as we look to enter in other competitions.

Darts Club

In 2020 we are also keen to introduce a weekly social darts dash in the club where all are welcome to join in and try their hand. On the drawing board for the year is a major Drawn Pairs tournament in the club as well as a trip to play Upper Hutt Cossie Club after their 2019 visit. A possible home and away challenge against Dannevirke Social Darts is also being discussed.

We will be holding a darts club meeting at the end of January to put in place our 2020 calendar and set a budget & subs. All existing and prospective players, competitive, social or otherwise are invited to attend. Details will be posted in the club once a date is set. In the meantime the adjunct can be contacted via email brian@darts.nz or mobile 0272089206. Look us up on our Facebook page - Taradale Flight Club.

Our own invitational pool tournaments are locked in and set for weekends in June (Open Singles) August (Ladies pairs) and of course the big one in November (open pairs)

The ladies tournament is one to look out for, as we predict it could double in size , such was the interest in it from this years effort.
