

A Word from our Chairman

OPERATIONS

Our very pleasing start to our 2021/22 financial year has continued.

Our turnover for the months of April and May has been very pleasing. This is a period, that in recent years has been very quiet for us. Last year of course our turnover was savaged during the first quarter due to Covid restrictions so to have made such a positive turnaround is very pleasing.

No doubt you will all have read and heard of the huge pressure on the Hospitality Industry, due to severe shortages of staff. We are doing all we can to ensure our core staff are afforded every consideration for their health and welfare. This means we are insisting they take some leave, despite being so busy and grab some hours off from time to time when the Club is a bit quieter. Again I stress how fortunate we are to have such a great team, working as a team. You no doubt will have noticed we often have all staff leaving their respective core roles to help in the Bar. We do ask all members to understand and respect the pressure our team is under. If service is a little slower than you expect at times please show some understanding. I can assure you our team are

team is under. If service is a little slower than you expect at times please show some understanding. I can assure you our team are all working extremely hard and members can do their bit by complimenting them for the great work they do.

Because many of our Bar, Kitchen and Restaurant tasks are of a specialist nature there is probably not much members could do to help but a couple of areas members may be able to assist with are with Club Cleaning and Courtesy Van driving duties. We are looking for a Cleaner and this is a paid position. The Van driver duties are on a voluntary basis and could be shared if we can get enough members prepared to help in this respect.

Please see Andre if you are willing and able to assist.

FINANCIAL

Whilst we are still working on financial results for last year and the first two months of our current year, we know from our weekly turnover figures the April and May months will show very satisfactory results. We will also be boosted in this respect by the regular revenue being generated from the hireage of our Fantail Room by the HBDHB. This arrangement will also help us take pressure of our team as we can step back a bit from hosting functions which require high staff input. We won't be taking our eye totally off the ball as a function and events venue, but will not have to push quite as hard as we have been in this respect.

ANNUAL GENERAL MEETING

We have confirmed the date of Sunday 27 June for this year's Annual General Meeting. We expect to have our annual accounts available for members in an unaudited form two weeks prior to this date. We again apologise to members for the late notices relevant to the AGM however can assure you we have been working as hard as we are able, to enable us to meet our Club Constitution in this respect. We did have the option of not holding an AGM this year and calling an EGM after 30 June to conduct this business however your Committee did not want to not have a 50th AGM, in this our Jubilee year. Relevant notices pertaining to the AGM have been issued and we will have other relevant notices available 14 days prior to the meeting. We hope to have a great turnout this year, being our 50th Jubilee year so put 2 p.m. Sunday 27 June in your diary.

Kind Regards Lloyd

The Manager's Message

The winter has come and we all need to stay warm and happy. We are looking forward to hosting everyone at the club and having a good time in doing so.

We are nearing the AGM and the end of the financial results. We as a team have worked really hard to achieve what looks to be a great result for the club. I have to thank all my staff for their impressive efforts this year. It has been a really challenging year for the club in many ways, but we managed to pull through and kick some serious behind.

As you are all aware, or at least we hope you are aware, there is nationwide a major issue with staff in hospo and its hard to find anyone that wants to work. So, to all my staff and team (family), THANK YOU.

To all our members, please bear this in mind and treat all the staff with respect and kindness, none of the staff will respond to anger, rudeness or disrespect. We are trying our hardest to achieve certain goals and we don't have time for issues.

Thank you to all the members that understand and respect this, you are all awesome.

Let's make June a great winter month and enjoy each other's company.

Happy Dayz.

RACE DAY

awesome catalogue available to order from the bar and the office

In May the Adjunct held the annual Club Champs at Awatoto Public Course.

The weather was just right and a few good scores made.

Prizegiving was followed by a light finger food lunch at the

Taradale Club.

The winners on the day were: Senior Lady : Jane Armstrong,
Junior Lady : Jan Bartlett

Senior Man: Maurice Free, Intermediate Man: Grant

Fea, Junior Man: Frank Nugent

We also had a new trophy donated for the best newcomer; this was won by Lynn Smith

Our next club day will be held on Saturday 26 June at Awatoto, teeing off from 9:00 am.

We will be holding our annual 9 Hole Open Challenge on Saturday 24 July at Awatoto but teeing off from 9:30 am.

If you would like to join the Adjunct or just come and have a game to see if you enjoy it, please just turn up on the day with your clubs.

We would be pleased to welcome you.
